SEG Backlit Podium Counter Assembly Instruction

Applies to: 3.3ft x 3.3ft

5.

Locate your **power supplies (F)** and run 2 power cables into the holes on the bottom of each side.

6.

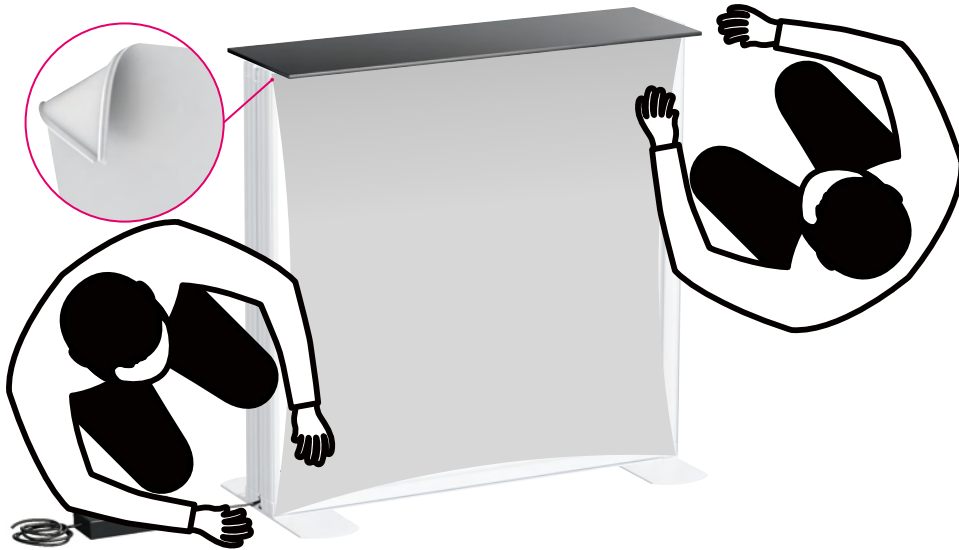

Connect one power supply to the two power connections on each side. One will be on the bottom and one will run up the side.

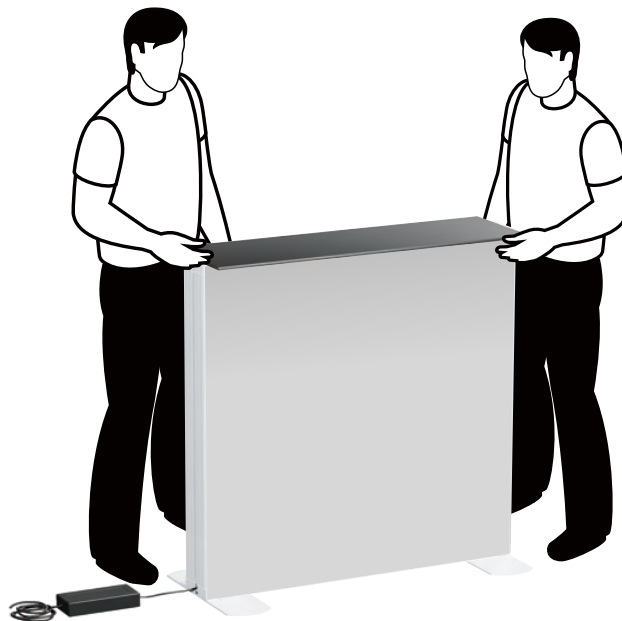

SEG Backlit Podium Counter Assembly Instruction

Applies to: 3.3ft x 3.3ft

- 7.** Instal graphics by firmly pushing the silicone edge into the channel on the from of the frame. Keep tension on the graphic as you go down each side so there is enough fabric to reach the end. Push the silicone edge of the center of each graphic into the center of the channel, then smooth the the edge into the channel buy sliding a thumb towards the corner.

- 8.** With a partner, pick it up off the ground from each side and carefully lift it onto its feet..
**Do not pick up from the middle!*
